4001-6000 sq ft 1250

Videos are 2-5min in length. I do a weather check-in 24hrs in advance to ensure we have good shooting conditions. Video turn-around is 72 hrs. I use a combination of slider, gimbal, drone and some still shots: whatever best shows the property.

Aerial Videography (if ordered alone):

350/hr

1 hour minimum. This covers all but the largest properties. I'm happy to give a time estimate for your listing beforehand.

*****Aerial stills and videography is only available where it is currently legal under FAA rules.***

ARCHITECTURE, LANDSCAPE ARCHITECTURE, AND COMMERCIAL SHOOTS

These shoots include a planning call or meeting, a walk-through the site, a shot list, and styling during the shoot. When necessary an assistant is also provided. Post-production and web licensing are included in the rate. Print licensing depends on usage rates and duration.

Day rate 1800

Hourly (2 hour minimum) 250/hr
